

Major Gifts Fundraiser

British Library

£30,768 - £34,853 pa + benefits
Full Time, Permanent (36 hrs p/w)

Closing Date: 1 February 2012

Working with our successful Development team, you will use your persuasive and inspiring communications skills to influence and secure new donors and grow our major gifts programme.

With a proven track record of raising philanthropic income, ideally from within the arts and culture sector, you will have the confidence to deal with high net worth individuals and senior volunteers to negotiate and raise six-figure gifts for a range of inspiring projects across the British Library.

You will bring your experience of working in a donor-led environment to develop all aspects of our major gifts programme, enabling us to build on recent successes.

For further information on how to join our highly professional and motivated team and the range of benefits available to you, please visit our careers website using the link below.
