

Management Accountant

Natural History Museum

The Natural History Museum is one of the world's leading museums, internationally recognised for its dual role as a centre of excellence in scientific research and as a leader in the presentation of natural history through exhibitions, public programmes, publications and the web.

Used to working at a senior level in a management accounts function, you will be pro-active with relevant experience of financial and team management. You should have experience in managing month end processes, preferably in the commercial sector or a Charity / Not for Profit organisation with commercial activities, able to demonstrate a good understanding of operations and Key Performance Indicators. You will also be familiar with the Charities SORP, accounting for restricted / grant funds and the requirements of managing expenditure budgets.
