

Exhibition Designer

National Museums Scotland

National Museums supports an exciting programme of special exhibitions critical to bringing in new audiences, as well as repeat visitors. Your role will be to assist with the design, development, planning, preparation and delivery of these exhibitions, and to work with colleagues across a number of departments, and externally, to ensure that exhibitions and galleries throughout our five museums are maintained to the highest standard.

You will be educated to degree standard in 3D design and will have proven relevant experience of design and production, preferably with some graphic design skills. You will be able to think creatively and will enjoy working to tight deadlines in a busy and fast-paced environment.

You will need to demonstrate an ability to work under pressure and to operate effectively, both independently and as a team member.

This is a full time, permanent appointment.
