

Management Accountant

Victoria & Albert Museum

The V&A is the world's leading museum of art and design. We enrich people's lives by promoting the practice of design and increasing knowledge, understanding and enjoyment of the designed world.

The V&A is seeking a full-time Management Accountant who will provide management accounting support across a range of diverse departments. You will also be required to provide assistance with budgeting, forecasting and year-end processes.

You should be a qualified accountant with relevant experience including report writing and communicating at a senior level. You will need to be confident, highly self-motivated, able to organise your workload with the minimum of supervision and pay attention to detail.

Closing Date for applications: midnight Monday 27 May 2013
